FOR RELEASE

April 14, 2010

**ACACIA SUBSIDIARY ENTERS INTO SETTLEMENT AGREEMENT
REGARDING CREDIT CARD FRAUD PROTECTION TECHNOLOGY
WITH BUILD-A-BEAR WORKSHOP, INC.**

Newport Beach, CA – (BUSINESS WIRE) April 14, 2010 – Acacia Research Corporation (Nasdaq: ACTG) announced today that its Financial Systems Innovation LLC subsidiary has entered into a settlement agreement covering a patent that applies to credit card fraud protection technology with Build-A-Bear Workshop, Inc. This resolves a dispute that was pending before the United States District Court for the Northern District of Georgia concerning Build-A-Bear Workshop, Inc.

The expired patent asserted in this litigation generally relates to a computerized system for protecting retailers and consumers engaged in credit card, check card, and debit transactions. The system includes an electronic card reader, and the generation and use of a transaction number, which specifically identifies each transaction processed within the system.

ABOUT ACACIA RESEARCH CORPORATION

Acacia Research’s subsidiaries partner with inventors and patent owners, license the patents to corporate users, and share the revenue. Acacia Research’s subsidiaries control over 140 patent portfolios, covering technologies used in a wide variety of industries.

Information about Acacia Research is available at www.acaciatechnologies.com and www.acaciaresearch.com.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

This news release may contain forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. Such statements are based upon our current expectations and speak only as of the date hereof. Our actual results may differ materially and adversely from those expressed in any forward-looking statements as a result of various factors and uncertainties, including the recent economic slowdown affecting technology companies, our ability to successfully develop products, rapid technological change in our markets, changes in demand for our future products, legislative, regulatory and competitive developments and general economic conditions. Our Annual Report on Form 10-K, recent and forthcoming Quarterly Reports on Form 10-Q, recent Current Reports on Forms 8-K and 8-K/A, and other SEC filings discuss some of the important risk factors that may affect our business, results of operations and financial condition. We undertake no obligation to revise or update publicly any forward-looking statements for any reason.
